

Billi Quadra Compact with Multifunction Mixer Tap

The Quadra Boiling and Chilled range is a commercial drinking water solution that is water cooled, so requires no joinery venting. The drawcard for the entire Quadra range is the use of innovative energy reclaim technology which enables space savings, energy efficiency and completely eliminates exhaust heat transfer. All Quadra boiling and chilled products are Global Greentag certified to a Gold standard.

The Good Design Award winning integrated Multifunction Mixer Tap provides a sleek solution to dispensing filtered water with a touch sensitive interface, alongside domestic mains supplied by operating a standard flick mixer.
